UTILITIES MATTER

☒

ORDER NO.

**SUBJECT:**

[DOCKET NO. 2013-298-E](#) - Application of Duke Energy Carolinas, LLC for Approval of New Cost Recovery Mechanism and Portfolio of Demand-Side Management and Energy Efficiency Programs - Staff Presents for Commission Consideration Duke Energy Progress, LLC's Request for Expedited Approval of Modifications to the Bring Your Own Thermostat Program (BYOT Program).

**COMMISSION ACTION:**

Duke Energy Progress, LLC seeks Commission approval of the proposed modifications to its Bring Your Own Thermostat ("BYOT") program. There is an enhanced incentive for customers enrolling in the BYOT programs on or before December 31, 2020. As explained in the Company's filings, the enhanced incentive would also serve to provide financial assistance to residential customers who may be struggling due to the COVID-19 pandemic and could serve as a means to help customers that are behind on their electric bills.

The Office of Regulatory Staff reviewed the filing and "does not object to the Company's modifications to the Bring Your Own Thermostat Program."

I move that the Commission grant approval of the modifications and the program as revised by Duke Energy Progress.
